
Erfindung Buchstabenschrift Johann Leonhard Hug Salzwasser Verlag

bücher haben ihre schicksale auch in regensburg - entscheidend dabei war die erfindung der buchdruckerkunst. auch die antiken völker, griechen und römer, haben die buchstabenschrift gehabt und sind nicht zur buchdruckerkunst gelangt, da die sozialen und geistigen bedingun-gen im altertum ganz andere gewesen sind als die der romanisch-germanischen nationen des westens (franz schnabel). aber auch im abendland war noch ein jahrtausend ...
